

## Interested in purchasing at Henty Bay?

We have been busily finalising house plans with Bodon Homes, we are pleased to provide you with the following

- Lease plan of sites
- Home designs
- Pricing

Sea-esta and Sea-renity plans can be built as a duplex (double storey), two fully self-contained homes on one site, this option is great for families or friends wanting to purchase together. This option is also good if you wanted to occupy one and rent the other back through management to earn some income from tourist lettings.

## Securing your Lot

Please request a Reservation form, if there is a site / package you are extremely interested in, we can reserve it for you, meaning it won't be sold to someone else during the reservation period. A \$1,000 refundable deposit is required, if you choose not to proceed with the sale the \$1,000 deposit is refunded to you.

The process is simple

1. Choose the floor plan that best suits you
2. Choose your preferred lot
3. Look up the pricing table to find out the package price
4. Complete the Reservations form and return it to us or you may leave it at Henty Bay Reception to pass on.
5. We will then be in touch with you to understand your requirements and assist you through the contract stage.
